- A very good professor. Shows passion for his job and towards his students. Professor Toll cares about your schooling and will help you succeed.
- Benjamin Toll is, by far, one of the best professors I have ever had the pleasure of learning from during my time spent at LSSU. Even when he was visibly worn out from his work schedule, he brought a delightful enthusiasm to the class which lifted the mood. His classes are so enjoyable I may consider taking another, even if it is not required.
- Enthusiastic professor that had a clear passion for what he is teaching. He clearly explained the course material and connected the points to current issues in politics.
- Fun class(despite the presentation we had to do) and the instructor was very enthusiastic and energetic about the course material.
- Great professor.
- I believe that this course should be required for every student to take. Dr. Toll teaches it in such a way that we are allowed to form our own opinions while making informed and intelligent choices.
- I really liked how there was no debating that had to be done in class.
- I thoroughly enjoyed this class and professor Toll made the class fun!
