- Another great Politics class that increased my critical thinking! Highly recommended to all students to increase awareness involving the government!!
- Fantastic. Toll's enthusiasm for the subject makes the information more digestible. This class was a perfect example of a environment where all students felt safe asking questions and voicing their opinions. Material was challenging, however the lecturing and coursework helped to solidify each topic in my memory.
- thoroughly enjoyed the class, in class discussion helped with explaining topics and helped to explore other topics not in the original power points. power points being available online also helped for studying for the exams.
